WHY GO GREEN?

1. To follow the Quran in all aspects of our life.

"He is the One Who has placed you as successors on earth and elevated some of you in rank over others, so He may test you with what He has given you. Surely your Lord is swift in punishment, but He is certainly All-Forgiving, Most Merciful." (Quran 6:165)

2. To follow the environmental sunnah practices of our beloved Prophet Muhammad (SAW). Our love for Allah SWT should be reflected in the way we show care and compassion for all of Allah's creation.

3. To renew our intentions to be Khalifahs of the earth and represent the true values of stewardship in Islam as Muslims living in the west.

CALL TO ACTION!

1. Styrofoam is toxic to us and the environment. Go Zero Styrofoam in our masjid by Ramadan 2022.
2. Reduce waste and BYO re-usable cups/plates to events.
3. Use re-usable water bottles instead of plastic water bottles.
