

REVIVE A GREEN SUNNAH TODAY

Plant More Trees

Trees purify our air, create shade, provide homes for many animals, grow fruits for all of creation to benefit from and so much more.

Jabir b. Abdullah (Allah be pleased with them) reported: Allah's Apostle (SAW) visited the orchard of Umm Ma'sud and said:.....No Muslim who plants (trees) and from their fruits the human beings or the beasts or birds eat, but that would be taken as an act of charity on the Day of Resurrection (Muslim).

Reduce, Refuse, Reuse, Recycle

Cut down on what you acquire and throw away. Follow the 4 Rs to conserve natural resources and landfill space.

Hisham said, "I asked 'A'isha, 'What did the Prophet, may Allah bless him and grant him peace, do in his house?' She replied, 'He did what one of you would do in his house. He mended sandals and patched garments and sewed.'" (Al Adab Al Mufrad)

Conserve Water

A human being cannot survive without water.

The conservation of water is embedded in our Sunnah, as it is the source of light and a means to purity. Narrated Jabir ibn Abdullah: The Prophet (SAW) used to take a bath with a sa' (of water) and perform ablution with a mudd (of water) ((Sunan Abi Dawud

Treat Animals Kindly

Each year over 100,000 animals die ingesting plastic or styrofoam.

All of Allah's creation have rights over us. Of the rights given to living beings- is to be treated with respect and used for its purpose. Narrated Abu Huraira: Allah's Messenger (SAW) said, "While a man was walking on a road, he became very thirsty. Then he came across a well, got down into it, drank (of its water) and then came out. Meanwhile he saw a dog panting and licking mud because of excessive thirst. The man said to himself, "This dog is suffering from the same state of thirst as I did." So he went down the well (again) and filled his shoe (with water) and held it in his mouth and watered the dog. Allah thanked him for that deed and forgave him." The people asked, "O Allah's Messenger (SAW) Is there a reward for us in serving the animals?" He (SAW) said, "(Yes) There is a reward for serving any living being." (Bukhari)

Do Not Be Wasteful

Americans make up 5% of the world population but produce 30% of the waste globally. 2.5 million plastic water bottles are thrown away in the US every hour. It is projected that by 2050 there will be more plastic than fish in the sea.

Part of showing our gratitude to Allah (SWT) is to not waste, "O Children of Adam! Dress properly whenever you are at worship. Eat and drink, but do not waste. Surely He does not like the wasteful." (Quran 7:31)
