

## **STUDENT PRESENTATION TIPS**

- Watch Ms. Fiona's training video  
(<https://drive.google.com/file/d/1J1f6K3W5mFaJsik5Bh1MQXop6KOtS2DP/view?usp=sharing>)
- Divide slides between the students in your group
- Practice PPT together
- Do a practice presentation with green team member
- Prepare packet to give the board (this will be shared by green team via email couple of days before your presentation In Shaa Allah)
- Public speaking tips:
  - Connect with your audience by looking at them rather than the slides.
  - Speak with expression and not in a monotone voice.
  - Emphasize key points and pause between each point rather than rushing through too fast.
  - Memorize key points and speak from your heart rather than reading off slides.
  - Speak clearly and project your voice so your audience can hear you easily.
  - Speak confidently and respectfully.
  - Answer questions as best you can and if you do not know the answer, it is completely fine to say that you would be happy to find out for them and get back with the answer. If you forget something, it is ok. Just do your best :)
- Make Dua together as a group before your presentation. Begin with fatiha and the following beautiful dua was prepared by the green team's religious advisor, Ust. Alia. Set your intention. Please remember that when working for the sake of Allah there is never a loss and know that whatever happens is for the best.

*Ya Allah, You see our efforts and that's all that matters*

*Our reward is with You and we trust in Your wisdom*

*Please help us change the hearts of the people*

*Please accept our work for Your sake*

*Please help us to be Your khalifahs on this earth and live in a way that pleases You*

*Ameen ya Rabb*
